OBJECTIVE

Dedicated and highly skilled React Software Developer with nearly two years of experience in frontend TypeScript development. Seeking a position to leverage expertise in crafting stunning and responsive user interfaces, and to contribute to dynamic software development teams. Committed to creating seamless, user-friendly web applications.

PROFESSIONAL EXPERIENCE

Frontend Developer | Klikni Jadi

NOVEMBER 2022 - PRESENT

- Spearheaded the development of user interfaces of Klikni Jadi's logistics platform using React and TypeScript, resulting in more intuitive and responsive customer experience.
- Collaborated closely with cross-functional teams to ensure seamless integration of frontend elements.
- Played a key role in optimizing website performance and looks, resulting in 20% increase in user engagement.

Project Developer | Scandiweb

JANUARY 2022 - AUGUST 2022

- Contributed with Scandiweb project by developing and maintaining frontend components.
- Collaborated with the team to implement responsive design solutions, enhancing overall user experience.

Freelance Software Developer

OCCASIONALLY

- Independently developed various web projects, showcasing versatility in creating custom solutions.
- Demonstrated proficiency in front-end development using React, ensuring high-quality and visually appealing interfaces.
